Description

Beauty, versatility and comfort all rolled into one, the Graceland 6-piece sectional truly shines. Its modern style boasts clean lines and luxuriously soft chenille upholstery. Although it is pretty to look at, Graceland also comes packed with function. You'll get features like cupholders, power-reclining seats and headrests and USB charging ports. No matter what, you'll find that the best part about Graceland is its flexibility when it comes to decorating.
